Guide

2014 WEBELOS RESIDENT CAMP - OVERVIEW

What is a Webelos Resident Camp?

The 2014 Webelos Resident Camp is four days and three nights of Scouting fun and adventure! The goal of Resident Camp is to provide Webelos Scouts a taste of the summer camp excitement they will enjoy when they become Boy Scouts, and to offer the opportunity to complete some, if not all, of the requirements for select Webelos Activity Pins. The Webelos Resident Camp is held at Comer Scout Reservation and is led by trained Webelos leaders and assisted by staff members from the Greater Alabama Council Boy Scout Summer Camp.

Who can attend?

The Webelos Resident Camp is open to all boys currently registered as Bears (rising Webelos I Scouts) or Webelos I Scouts (rising second-year Webelos).

How much does it cost?

The cost for each Scout to attend is \$135.00. The first adult leader is free with a minimum of 4 registered Webelos from your unit. The fee for each additional adult leader is \$55.00. Payment of all fees must be submitted along with the Webelos Resident Camp Registration Form. All registration forms, rosters and fees must be submitted to the Council no later than July 7, 2014.

What will the Webelos do at camp?

Webelos Scouts attending the Webelos Resident Camp will be exposed to a wide range of activities for completion of activity pins. Webelos I Activity Pin programs may include Aquanaut, Naturalist, Geologist, Forester, Engineer, Scientist, Sportsman, Showman, or Artist. Webelos II Activity Pin programs may include Aquanaut, Outdoorsman, or Handyman. Activity Pins offered at the 2014 Webelos Resident Camp are subject to change, depending on course demand, volunteer staffing, and weather.

Webelos II's will have a full camping experience

during the Outback Adventure. This experience will include the basics of canoe safety, Safe Swim Defense, Safety Afloat, Leave No Trace Awareness, setting up camp, cooking and an introduction to Boy Scout skills they will use when they become Boy Scouts.

Additional activities offered for all Webelos Scouts will also include swimming, archery, BB gun shooting, nature hikes, and adventure games.

How will Webelos leaders know what each Scout accomplishes at camp?

Appropriate adult leadership will be required to accompany Webelos Dens/Patrols to each session. At each advancement session, a list of the completed requirements will be provided for use in recording each Scout's fulfillment of the requirements. The Den Leader will be responsible for ensuring that this information is recorded for the scouts. Advancement summaries will be given to each unit following the closing campfire.

What will we do at night?

Special campfire programs will be held on Sunday and Tuesday evenings at the Encampment. Sunday night's campfire program will feature the talents of the Comer Scout Reservation camp staff. At Tuesday's campfire, Webelos Dens are invited to participate by performing songs, stunts, or skits.

What about the facilities?

Webelos Scouts and their leaders will camp in the same campsites used by Boy Scouts during Summer Camp. Most campsites have some Adirondacks that sleep four and wall tents with cots on wooden platforms that sleep two. Camp Comer has two air-conditioned shower and restroom facilities for camp-wide use. Most meals will be prepared by our camp kitchen staff and served in the camp dining hall. Outback Adventure participants will prepare a few of their meals at their campsite and sleep in tents they bring from home. The camp maintains a full-time health lodge facility, and the Trading Post will be open for supplies and snacks.

THE WEBELOS II OUTBACK ADVENTURE

The Outback Adventure program is an exciting introduction to Boy Scout style camping for Webelos II Scouts and Webelos Den leaders. To begin the Outback Adventure, Scouts will learn the basics of canoe safety and safety afloat, to prepare for traveling across the lake to Camp Jacobs (weather permitting). Scouts and adults who have passed the Boy Scout Swimmer's Test will be able to canoe to Camp Jacobs, while Non-Swimmers and Beginners will be transported to Camp Jacobs. At Camp Jacobs, the Webelos Resident Camp staff will assist Webelos II Scouts in setting up camp and will continue to provide instruction throughout the time at Camp Jacobs, including *Leave No Trace* principles and an introduction to Boy Scout outdoor skills. **To participate in the Outback Adventure, Webelos (as a Den or as individuals) will need to provide their own tents and ground cloth.** Any equipment needed for the Outback Adventure will be transported to Camp Jacobs by the Webelos Resident Camp staff. Showers are not available at Camp Jacobs; however portable restroom facilities are nearby.

Food and cooking supplies will be provided for those participating in the Outback Adventure; however, Webelos II Scouts will prepare and cook their own meals, with the help of the Webelos Resident Camp staff.

Webelos II Overnight Camping Experience: Adult Participation

As part of the Webelos II program at Webelos Resident Camp, the Scouts will have the opportunity to participate in an overnight camping experience at a site (Camp Jacobs) away from the main camp.

As most Webelos parents and Leaders are aware, on overnight camping trips conducted by the Den or Pack each Scout must be accompanied by a responsible adult. However, for Resident Camps, this requirement does not apply because the camping experience is conducted under the supervision of a trained camp staff. The Scouts must however have 2-deep adult leadership in each Patrol.

One of the goals of the Resident Camp's Webelos II program is to give the Scouts a taste of Boy Scouting. On Boy Scout camping trips, the Scouts tent with their buddies, not with their parents.

For the purpose of the Overnight Adventure, the official Adult participation will be limited to the Den Leader and the Assistant Den leaders for each Patrol.

We would encourage the unassigned adults to take advantage of other training opportunities at the main camp, while giving their Scouts an opportunity learn how to be more independent on an overnight camping trip. We realize that some other adults will have a need to be present with their Scout. Adults who are not the "official" leaders for their Patrol can still be present at Camp Jacobs, but primarily as observers. Meal planning for the overnight experience is limited to the Scouts and the assigned leaders. The other adults will be fed at the Dining Hall, and transportation will be provided as needed

ARRIVAL AT THE WEBELOS RESIDENT CAMP

Check-in at the Webelos Encampment will begin at 1:00 PM on July 20, 2014. No one will be allowed to check-in prior to 1:00 PM. Please plan to arrive no later than 2:00 PM to provide adequate time for Webelos Scouts to set up camp, take the mandatory swim check, take a self-guided camp tour. The Waterfront will close approximately one hour before dinner.

Parking will be in the main parking lot near the Dining Hall. A reception area will be set up in the parking lot. Upon arrival, one leader from each unit should come to the reception area to begin the check-in for their Pack. The check-in process includes the following:

- The designated leader will be given Event Schedules and a Check-in form that includes their tentative Unit Roster and campsite assignment. The leader must verify the roster for all Scouts and Adults associated with their unit. They also need to update / correct the roster information (Name, rank, T-shirt size) for those actually in attendance.
- Health Forms for all participants (Scouts and Adults) are to be delivered to the Health Officer at the Shelter near the Waterfront. The Camp Health Officer must review the health forms prior to the swim check, and will verify their receipt on the Check-in form.
- The completed Check-in form should then be turned in to the Registration Staff. Any remaining camp fees (if needed) will be collected at this time.

While the designated leader completes the check-in, the other Adults and Scouts will hike to their campsite to set up camp. One vehicle from each group will be permitted to transport equipment to their site. All vehicles must return to the main parking lot immediately after unloading.

Individual campers who arrive before their Group Leader may hike to their campsite to set up camp. The Group leader will need to complete the Check-in process once the entire group is accounted for.

Campsite assignments and event schedules will be provided at check-in. Den assignments will be announced after dinner. Camp T-shirts will be distributed after the Sunday evening campfire

Parking

Parking will be in the main parking lot near the Dining Hall. One vehicle from each group will be permitted to transport equipment to their site for unloading. All vehicles must return to the main parking area no later than 7:00 PM. The speed limit is 15 miles per hour. While the camp is in session, only camp vehicles and delivery trucks are permitted in the camp.

No pop-up camper or travel trailers, RV's, bicycles, personal golf carts, motorcycles, or ATV's are allowed at Camp Comer. It is prohibited for youth or adults to ride unrestrained in the bed of a truck or on a trailer pulled by a motor vehicle.

Webelos Den Leaders' Meetings

A leader's orientation meeting will be held after dinner on Sunday to review the schedule and final plans for the camp. Additional meetings may be held at the direction of the Webelos Resident Camp staff. These meetings will be used to review any previous announcements and make leaders aware of any possible changes to the schedule.

Adult leader training sessions will be offered at the Webelos Resident Camp. During the Webelos Den leaders' training sessions or meetings, at least one leader should remain with the Webelos Scouts in each unit to ensure proper supervision is maintained

Camp Security

An important aspect of youth protection at camp is controlling unauthorized persons in the camp.

Everyone in attendance at the camp must wear identification that signifies legitimate participation in the camping program. Wristbands, such as those used in hospitals, will be used during the Webelos Resident Camp. Any time a person is spotted in camp without an appropriate wristband, that person should be escorted to the office to sign in and the Webelos Resident Camp staff should be notified.

All visitors to the camp must stop at the camp office and sign in. A guest book for this purpose will be maintained and positive identification will be required. Visitors will be issued a visitor's wristband that must be worn at all times while in camp. Upon conclusion of their visit, guests will sign out so that camp administrators will know who is on camp property at all times.

For the safety and security of both adults and youth, NO ONE may leave camp without notifying the Camp Directors or a member of the Webelos Resident Camp adult staff. A sign out/in sheet will be provided. Campers will be released only to authorized adults. This is for the safety and security of both adults and youth.

Meals

Prior to each meal, campers and leaders assemble at the parade field near the Dining Hall for prayer and flag ceremonies. Seating in the Dining Hall will be by assigned Dens. Class "A" (Field) uniforms should be worn for the Sunday and Tuesday evening meals. The following procedure will be implemented for meal service:

- Each Den will appoint one cleanup team per meal (2 Webelos & 1 Adult).
- At meal time, Webelos will enter Dining Hall, go through the serving line and take a seat at their assigned tables.
- Once the meal is over, the appointed team will clean tables and sweep and/or mop under the tables.

DEPARTING FROM CAMP COMER

Evaluation forms will be distributed during dinner on the last evening of Resident Camp. Advancement summaries and patches will be given to each unit following the closing campfire.

On the last day of the Webelos Resident Camp, breakfast will be served in the Dining Hall for Webelos Scouts and Den leaders. Following breakfast, Webelos Scouts will have an opportunity to participate in Swimming, BB-Shooting, or Archery activities. All Webelos Resident Camp participants should plan to leave no later than 12:00 PM.

Before leaving the campsite area used by the Webelos Scouts, Webelos Den leaders should supervise the Webelos Scouts in cleaning up all trash in the campsite area. Trash should be placed in plastic garbage bags and tied. A designated area for the garbage bags to be left will be provided and the garbage bags will be collected by the Webelos Resident Camp staff.

At the time of departure, a Den leader should go to the Camp office and notify a member of the Webelos Resident Camp staff of their departure from Camp Comer. At that time, the Den leader should submit their completed evaluation forms and they will receive the Annual Medical and Health Record forms for the Webelos Scouts associated with their Den or Pack. These forms are valid for one year, and may be used again for other Scouting events during that period.

CAMP COMER INFORMATION

Dining Hall:

Camp Comer has a centrally located Dining Hall where meals are served cafeteria style. Scouts should be able to assemble, enter the dining hall, obtain their food, and sit down in a short amount of time. A salad bar will be available during all lunches and dinners.

Special Diets

Camp Comer tries to accommodate common dietary restrictions, but in some cases, the participant may need to bring his/her own food. Requests for special dietary needs must be noted on the Camp Roster, and submitted along with the Registration form. In addition, please contact the Camping Program Director by e-mail (camping@1bsa.org) a minimum of 2 weeks in advance to request special dietary needs. If a Scout has dietary restrictions, please make sure that it is indicated on his medical form.

Camp Office:

The camp office is located in the central area of the camp and is adjacent to the Health Lodge. It houses the administrative offices for the Camp Director. On the side of this building, there are three restrooms.

Health Lodge:

The Health Lodge is located next door to the Camp Office, across from the Dining Hall. All medical forms and medications are kept in this building for access and administration by the Medical Officer. The Medical Officer lives in the facility during camp and is always available; however, the camp asks that all Webelos Dens maintain and utilize a unit First Aid Kit in their sites to treat minor cuts and scrapes, as well headaches and other minor ailments.

High-Tech Productions Science & Technology Center / Leader's Lounge:

The left door of the Science & Technology Center is our leaders' lounge. The Coosa Lodge Order of the Arrow has furnished this room for leaders to relax. During the day, the Leaders' Lounge will be used for the adult leader training sessions to be offered during the Webelos Resident Camp. In the evening, the leaders' lounge will be open for ADULTS ONLY after dinner until Taps each night. Access to wireless Internet for adults may be obtained from the Camp Director.

Trading Post:

Camp Comer has a well-stocked trading post that is also located in the main camp area. The Trading Post offers Camp Comer souvenirs as well as general Scouting and craft items. The Trading Post also offers snack items. The Trading Post is much like a convenience store, with batteries, stamps, flashlights, shirts, patches, craft items, and other general merchandise available for purchase. Most Scouts will find their way to the Trading Post several times during the Webelos Resident Camp and this should enhance the camp experience for the Scouts. In addition to cash, the Trading Post accepts Visa, MasterCard, and Discover.

Flatt Rock Arena:

Sunday and Tuesday night campfires are held in the Flatt Rock Arena overlooking Lake Republic.

Lost and Found

The lost and found for the Webelos Resident Camp will be located in the camp office.

HEALTH AND SAFETY INFORMATION

Comer Scout Reservation operates a well-equipped medical facility that is administered by the Camp Health Officer. The medical staff is available 24 hours a day, seven days a week. Unit leaders should contact the medical staff or any leadership team member for assistance, even in emergencies. **ALLOW THE STAFF TO CALL 911 IF NECESSARY.** We have special arrangements for contacting and working with emergency response personnel. Help will arrive much quicker if camp medical personnel make the call.

If a non-emergency problem arises, such as an illness that is beyond the scope of our medical technicians, we will contact the parents and unit leader. The parents and unit leaders must then arrange for care, and transport the Scout to a medical facility. The parents or unit leaders must pay the costs of such care; the parents should file insurance claims.

In the event of an injury or illness requiring immediate medical attention, the care of your Scout will be provided by local emergency medical personnel, who may require the use of ground or air ambulance service at their discretion. **All expenses associated with this additional treatment and/or emergency transportation is the responsibility of the Scout's parents or guardians.** The providers will directly bill the patient or other responsible party; we will not make any payments.

We encourage adult leaders to provide first aid for minor cuts, small blisters, etc. using your unit first aid kit. For anything more serious, and any situations requiring medication, please use the health lodge.

Insurance

Each Pack in the Greater Alabama Council is covered by supplemental accident and sickness insurance. This will cover them during participation at the Webelos Resident Camp. This coverage is excess insurance to any health or accident insurance that a family may already have in place. This coverage is primary only if no other insurance is available. This insurance covers all authorized camp program activities while in camp. This insurance does not cover the co-payments for a family's primary insurance. All claims are handled directly with the insurance company.

Insect Bites

Ticks spread many diseases in North America. If you find an imbedded tick, report to the Medic Lodge so it can be properly removed.

Buddy System

The buddy system will apply to all campers, staff and leaders during all programs or activities with an element of risk, and is highly recommended at all times while at Camp Comer. This is our primary measure to prevent lost persons.

General Cleanliness

Scouts and adults should be clean in everything they do, including personal hygiene and cleanliness of the camp. Hot showers are available for Scouts and Leaders. Trash barrels are in each campsite and throughout camp. Please remember to leave the camp cleaner than you found it.

For the safety of everyone at the Webelos Resident Camp, no bicycles, scooters, skates, or skateboards are allowed in camp. Closed-toed shoes must be worn at all times.

SWIMMING FOR CUB SCOUTS AT LAKE REPUBLIC

All Scouts and leaders who wish to use the lake and boats at camp are required to have a current swim check. There are no exceptions.

There are three swimming ability classifications for Webelos, which are Non-Swimmer, Beginner and Swimmer. On the first day at camp, Webelos and leaders should travel to the lake for a swim check, which will determine the areas allowed for the Webelos and leaders to swim. All designated areas are clearly marked. The requirements for each classification are as follows:

Non-Swimmer – No specific requirements other than to get wet with all your friends.

Beginner – Jump in water over your head, swim 25 feet and come back to where you started.

Swimmer – Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy, resting backstroke. The 100 yards must include at least one sharp turn. After completing the swim, rest by floating. The duration of the float test is not significant, except that it must be long enough for the test administrator to determine that the swimmer is in fact resting and could likely continue to do so for a prolonged period of time.

Webelos and parents are encouraged to take the beginner test first and enjoy the water and water slide, while having fun exploring the lake. The Swimmer test can be taken at any time, as long as a camp counselor is available to assist.

All swimming activities are conducted following BSA Safe Swim Defense policies. For more information, adult leaders are encouraged to visit www.MyScouting.org and take the Safe Swim Defense training.

ADULTS PARTICIPATING IN ANY WATER ACTIVITY WILL ALSO BE REQUIRED TO PASS THE SWIM CHECK.

NOTE: All of the waterfront staff are trained BSA Lifeguards, a safety program recognized by the State of Alabama.

REGISTRATION

All Registrations must be submitted to the Greater Alabama Council by July 7, 2014, accompanied by payment in full and a legible roster of Webelos Scouts and Adults attending the Webelos Resident Camp. An Annual Health and Medical Record (Parts A and B only) for each attendee (Scouts and Adults) must be presented at check-in at camp. Upon receipt of the registration form, payment and the required documentation, a confirmation will be sent via email. Registrations should be made by Packs or Dens, but may be made on an individual basis when necessary. Scouts who register individually without an accompanying Adult Registration must identify the Adult in Camp who will be responsible for their welfare.

Refund Policy

Fees are transferable to other Webelos scouts, but it is up to the canceling individual to arrange for payment reimbursement from the replacement Scout. "No-shows" will not be granted refunds. Refunds, less a 20% service fee, will be considered for sickness, death in the family or a school related issue.

SPECIAL NOTES AND GENERAL INFORMATION FOR WEBELOS ADULT LEADERS

Adult Leadership Requirements

Webelos Den Leaders and/or supervising adults are responsible for the discipline and behavior of their Webelos Scouts attending the Webelos Resident Camp.

The minimum leadership requirement for Resident Camp is a ratio of two adults to a maximum of eight boys, and one additional adult for each four boys (or part thereof).

At least one adult leader from each sending Unit must be at least 21 years of age and a registered adult leader with the Boy Scouts of America. Additional adults need not be registered, however all adults spending 24 hours or more at camp must have completed BSA Youth Protection Training. Adults who are not registered with BSA must complete this training (available online) and have a copy of their training certification at check-in.

During the course of Resident Camp, participating Scouts will gather in different ways at different times. For example, during the scheduled program phases of camp, Scouts will be assigned to Dens or Patrols, and will have the appropriate leadership as described below. At other times, such as when they are at their campsite, they will be camping with their home Unit (Pack) along with other Units who are assigned to the same campsite. In either case, the minimum required leadership ratio is based on the total number of Scouts in the assigned Den or campsite, not just the Scouts from an individual Unit.

It is not required that each Scout have a parent/guardian attend, however every Scout in camp must have an adult in camp who will be responsible for their welfare. While the minimum leadership ratios at camp must be maintained at all times, it is important to remember that the two-deep leadership principle is shared across Units while at Camp. This means, for example, that one adult can bring up to four Scouts to camp.

Den Leadership at Camp

Webelos Scouts at Camp will be assigned to Dens (Webelos I) or to Patrols (Webelos II). Each Den/Patrol needs at least two Adult Leaders present (Two-deep Leadership) at all times: a Den Leader and an Assistant Den Leader. (Depending on the size of the Den/Patrol, additional adult leadership may be necessary to maintain the minimum leadership ratio.) It is neither necessary, nor recommended that all adults accompany their Scouts at all times. The positions of Den Leader and Assistant Den Leader may rotate between the Adult Leaders present in Camp, but someone needs to be filling those roles at all times.

There will be training and other opportunities available for Adults. Adults will need to coordinate their schedules to ensure adequate Den coverage at all times.

RESIDENT CAMP CHECKLIST FOR WEBELOS SCOUTS

- | | | |
|--|---|---|
| <input type="checkbox"/> Flashlight | <input type="checkbox"/> Pillow | <input type="checkbox"/> 2 pairs of closed-toed shoes |
| <input type="checkbox"/> Swim suits | <input type="checkbox"/> Cub Scout or Webelos uniform* | <input type="checkbox"/> 1 pair of pants |
| <input type="checkbox"/> 2 towels | <input type="checkbox"/> Pajamas or sleepwear | <input type="checkbox"/> 2 pairs of shorts |
| <input type="checkbox"/> Webelos Book | <input type="checkbox"/> Neckerchief and slide | <input type="checkbox"/> 3 pairs of socks |
| <input type="checkbox"/> Pencils and paper | <input type="checkbox"/> Sleeping bag or blanket | <input type="checkbox"/> Raincoat or poncho |
| <input type="checkbox"/> Jacket or sweater | <input type="checkbox"/> Personal health & medical form | <input type="checkbox"/> 4 sets of underwear |
| <input type="checkbox"/> Scout t-shirts | <input type="checkbox"/> Insect repellent and sunscreen | <input type="checkbox"/> Reusable cup/water bottle |
| <input type="checkbox"/> Personal toilet articles (i.e. soap, toothbrush, toothpaste, comb, shampoo, etc.) | | |

Webelos IIs participating in the Outback Adventure will need to provide their own tents and ground cloth (either for the Den or for individuals)

*Class "A" (Field) uniforms should be worn for the Sunday and Tuesday evening meals and campfire programs.

An Annual Health and Medical Record (Parts A and B) for each attendee (both Scouts and Adults) must be presented at check-in at camp. This form was revised in 2014 and may be found at:
<http://www.scouting.org/scoutsource/healthandsafety/ahmr.aspx>

OPTIONAL SUPPLIES

Camera and film, fishing pole and tackle, musical equipment or instruments, mosquito net or repellent, Bible or prayer book.

ADDITIONAL EQUIPMENT SUGGESTIONS

In addition to the list of equipment above, leaders may want to consider the following items:

- Lawn Chair
- Daypack for Scouts to carry their rain gear during camp
- Clipboard or folding notebook to carry notes and handouts
- Camp lantern (battery only inside tents and Adirondacks, No chemical fuel)
- Den or Pack water cooler (bags of ice are available at the Trading Post)
- Props for closing campfire skits
- Toilet paper (just in case)
- Song books and skit books

Visitor Meals

Any family member visiting during the Webelos Resident Camp can eat in the Dining Hall; however, reservations are required for those not registered for the Webelos Resident Camp. Reservations can be made by telephone at (256) 634-4389. A \$7.00 fee will be charged for each visitor's meal, which is payable upon arrival at Camp Comer. Any visitors eating in the Dining Hall during the Webelos Encampment should arrive between 5:30 PM and 5:45 PM. The Webelos Den leaders for each unit will have the schedule of meal service for each unit.

2014 WEBELOS RESIDENT CAMP REGISTRATION FORM

Pack # _____ District: _____
 Leader: _____ Email: _____
 Address: _____ City/State/Zip: _____
 Daytime Telephone: _____ Evening Telephone: _____

Comer Scout Reservation

2014 WEBELOS RESIDENT CAMP VOLUNTEER APPLICATION

Does your pack have some extra adults who need something special to do at camp? Maybe you can provide some VOLUNTEER ADULT STAFF MEMBERS this summer. Talk to the adults who work with your pack. See if anyone wants to teach their favorite skill at camp to boys from your Den/Pack and other Dens/Packs.

The form below can be used to let the Program Director of the Webelos Resident Camp know what they would like to teach and when. Fill this form out and send it to Jeff Brasher at the address below as soon as possible. We will re-confirm your volunteer staff plans prior to camp.

Adults from your group may also want to help out at camp in other ways. We always need help with plumbing and electrical work, carpentry, and other camp maintenance. Use the form to tell us about your interests. If there are questions, we will get back in touch with you.

Remember that your Den/Pack must have the proper adult/Scout ratio at all times. If someone from your Den/Pack volunteers to teach classes or do other work away from your campsite, you may need extra adults to make sure you have sufficient leaders at all times for your Den/Pack.

Any adult who plans to attend Webelos Scout Resident Camp with a pack is invited to spend some time helping the staff. We need to know WHEN you will be there and WHAT kinds of things you can do.

Name of Adult: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone Number(s): _____

Pack/Unit Number: _____ Scouting Position: _____

WHEN will you be available at camp? _____

Please Check the Things You Want to Volunteer for at Camp

_____ Instructing Webelos on Activity Pins

List Activity Pins _____

_____ Instruct Webelos Den Leader Training Sessions

List subjects _____

_____ Help with camp maintenance and improvements

List things you can do or want to do _____

List tools you can bring for work at camp _____

Mail or Fax this form to:
Greater Alabama Council, BSA
P.O. Box 43307
Birmingham, AL 35243-0307
Fax: 205-970-0349
