

ATTENTION CADETS PREPARE FOR ROCKET ACADEMY!!!

New Scouts that sign up in 2018 receive their very own model rocket courtesy of the U.S. Space and Rocket Center.

All Scouts are invited to attend one of our six exciting Rocket Academies.

BLAST INTO SCOUTING! Scouts will have the opportunity to participate in crafts and stations that will culminate in the launching of their model rocket. The best part of this event is that it is **FREE** for Scouts who join in the Fall of 2018

and only \$5 for any Scout that wants to attend.

Come and experience this half-day adventure and let your cadet take orbit!
