

ATTENTION CADETS PREPARE FOR ROCKET ACADEMY!!!

New Scouts that sign up in 2018 receive their very own model rocket courtesy of the U.S. Space and Rocket Center. All Scouts are invited to attend one of our six exciting Rocket Academies to “Blast Into Scouting”! Scouts will have the opportunity to participate in crafts and stations that will culminate in the firing of the model rocket that they received at their sign-up night.

The best part about this event is that it is FREE!

Come and join us for this half-day adventure and let your cadet take orbit! You may attend at any location.
