

The Powder Horn. A tool steeped in history. Thinking of one brings to mind outdoorsmen of ages past, their horns carrying the gunpowder that made their way of life possible and survivable. It is a tool that helped men and women build out the frontier and build the trails – for others to follow.

The Horn is a symbol.

Just as the horns from the distant past helped explorers through the wilds of a brand new country, the Powder Horn builds the spirit of the outdoors in today's youth. The **knowledge** that you bring back to your unit will help you **build** a program to give the youth new challenges to face and aspire to.

Is this your path? If you would like to be part of the Greater Alabama Council Powder Horn Experience, register at the websites listed on the front or complete and mail this form to receive registration information.

It happens to all of us.

Scouting leaders have the desire to provide a challenging and fun outdoor program, especially to older youth members, but sometimes find themselves lacking the knowledge or resources to do so safely and effectively.

The next step: Powder Horn exposes Boy Scout, Venturing, and Explorer leaders a wide range of outdoor high adventure activities, providing participants with valuable resources and contacts to assist them in delivering the promise of Scouting's high adventure to their youth members back home, no matter what type of unity they are in. **If you lead Boy Scouts, Venturers, or Explorers, Powder Horn matters!**

Axe, Spear, Hatchet, Knife throwing

Shotgun, Rifle, Pistol, Archery

Powder Horn is:

- An opportunity to educate Scouting leaders about specific high adventure skills, to connect them to resources to deliver those skills, and to get them excited about delivering those skills to their youth.
- An opportunity for older youth to experience high adventure activities and how to take them back to their units.
- FUN!

Participant Requirements:

Must be a registered **adult or youth** member of the Boy Scouts of America.

Youth must be 14 (or 13 **and** finished the 8th grade).

Youth must have completed their unit's version of Leadership Training (i.e. ILST, ILSC).

Adults must be trained in their leadership position.

Must have an Annual BSA Health and Medical Record (Parts, A, B, and C) and meet the physical demands of a backcountry course.

Want to have FUN and LEARN!!
