

A Scout is helpful.

A Scout cares about other people and willingly volunteers to help others without expecting payment or reward.

According to the U.S. Department of Agriculture, 1 in 9 Americans suffer from food insecurity each year. This equates to over 37 million American and more than 11 million children. Food insecurity impacts every community in the United States.

SCOUTING FOR FOOD is an annual food drive sponsored by the Boy Scouts of America. It is part of our program that emphasizes our slogan “Do a Good Turn Daily”. Moving forward, our Council will hold the food drive annually on the 2nd Saturday in November.
