

MOUNTAINEERING

This is your adventure!

Mountaineering is Camp Sequoyah's high adventure program for older scouts who are looking for an exciting outdoor experience while at camp. Scouts must be 14 or older to participate in the program. The adventures are fun and offer many challenging elements. The program runs during all 4 morning sessions and participants will not complete any merit badges. Scouts will meet at the climbing tower at 8:00am in the morning and will return before Lunch. They will participate in afternoon activities and evening programs with their troop.

Scouts will form a Mountaineer Patrol and will plan out their week of daily adventures. These adventures can include Swimming, Sailing, Kayaking, Paddleboarding, War Canoe, Hiking Mt. Cheaha, Hiking Lake Cross, Mountain Biking, Rifle Shooting, Shotgun Shooting, Archery, Metal Forge, Hawk and Knife Throwing, Fishing, Boat fishing, Fly Fishing, and Climbing.

The best part of being a Mountaineer is the patrol members decide what they want to do! Want the Sequoyah Sidewinder Waterslide to yourself? Want to take the war canoe to the most remote spots in camp? Want to mountain bike through pristine forest trails? Mountaineering has you covered!

Register Scouts interested in this program through the Tentataroo system.
