Yours in Scouting,

Tyler Powell
Camp Director
Greater Alabama Council - BSA

Meet Our Camp Director

Tyler Powell is a native of Birmingham, Alabama. He earned his Eagle Scout Rank in 2010 and served at the Camp Sequoyah waterfront from 2011-2012 & 2014-2022. Tyler is a graduate of Mississippi State University where he completed his undergraduate and graduate degree in history. During his college career, Tyler was section leader of the tuba section in the Famous Maroon Band and was a member of Phi Alpha Theta Honor Fraternity. Tyler is the Program Director at the Greater Alabama Council, and previously served Mountain Lake, Sequoyah, Etowah, and Shelby Districts. During his time with Scouting Tyler earned the Triple Crown Award and completed training at the Summit Bechtel Reserve. Tyler is also a Vigil Honor Member of Coosa Lodge and a strong supporter of Scouting.

Camp Sequoyah History

The idea for Camp Sequoyah came in the years before 1972. During that time, the Birmingham Area Council used Camp Arrowhead, a 55-acre property on the banks of Lake Mitchell on the Coosa River. The Council did not own the land and had to lease it each summer from Alabama Power. By the year 1970, ninety-two Troops made use of Camp Arrowhead and lack of space posed an issue. That year half of all Scouts in the Council were told they could not go to Summer Camp simply due to a lack of space. To combat this issue, members of the Birmingham Area Council Executive Board approved a bold plan to acquire a 1,447-acre property within the Talladega National Forest. They also planned the creation of an 86-acre lake. The Council specifically wanted to acquire a property large enough to build multiple Camps around the lake. This way, the Camp would grow as Scouting grew. After a successful capital campaign and land development, "Camp One" or Camp Sequoyah Opened in 1972.

Since that summer in 1972, many things have changed. Permanent structures like the Dining Hall, Ecology Lodge, and the Carter Pavilion were added to the property. In 1998, the Birmingham Area Council merged with the Choccolocco Council and Tennessee Valley Council to form the Greater Alabama Council. During these five decades, the mission of Camp Sequoyah has remained constant. By following the Scout Oath and Law, Camp Sequoyah continues to prepare young people to make moral and ethical choices throughout their lifetime. The skills you learn here, as well as the many memories you make will equip you to be prepared and always do a good turn daily. When you arrive at Camp Sequoyah, listen to the sounds, smell the air, and gaze at the stars. You are now part of the next 50-year story. What chapter will you write?

PROVISIONAL CAMPERS:

For campers who would like to attend Camp Sequoyah but are not coming with their unit, provisional camping is encouraged. This is available even if your unit is not attending camp during the summer. Scouts who have already spent one week at camp but want an additional week are welcome to return as a Provisional Camper.

Scouts attending as provisional campers are placed with a Scout unit that has been approved to support a provisional camper to ensure they have the best possible experience while at camp. This unit will take the Scout on as a member of their troop and place them in a patrol. ALL WEEKS OF CAMP ARE OPEN TO PROVISIONAL SCOUTS.

SPECIAL NEEDS:

If a Scout or adult needs some extra help to enjoy the camp experience, please let us know! This includes anyone with **special dietary, health, mobility, or**

CPAP battery needs. Please complete and return the **UNIT SPECIAL NEEDS FORM BY MAY 19th**. We will make reasonable accommodations for special needs.

DIETARY

We will do our best to meet special needs including minor menu changes for dietary requirements. Our focus is to accommodate individuals who have medical and religious dietary needs. Campers may bring their own dietary supplements and food with them, which can be stored in the camp fridge and pantry. If a minor menu change cannot be provided, the salad bar, peanut butter sandwich bar, or cold cereal is always available.

CPAP MACHINES

There is no power available in any campsite. We have a limited supply of batteries available for campers, but we cannot guarantee their availability. It is recommended that CPAP users acquire a battery for their machine to use at camp. Sleeping areas are not available in buildings at camp. CPAP batteries can be charged during the day at the camp office.

CAMPSITES

Camp Sequoyah focuses on maintaining an authentic and primitive outdoor experience. The locations of our campsites are moved around each summer on a 3-year rotation. This allows the plant life and vegetation to grow and maintain itself. Our campsites are large with multiple fire rings. 9'x7' canvas tents are provided and are set up to accommodate patrols, with each patrol having its own set of tents, a canopy, and table. Smaller units often share sites. Campsite assignments are based on an assumed **two person per tent rule and cots and mats ARE provided**. In general, leaders should plan to share tents, adjusting for male/female accommodations. Scouts and leaders are welcome to bring their own tents, if they do not want to use the one's provided.

Each campsite has a bathroom, wash basin, running water, and an outdoor shower facility. There is no electricity in the campsites. Fire safety tools,

cleaning brooms, water hose, and information boards are provided at each site. Troops are responsible to keep their campsites, bathroom, and shower facilities clean. Troops will be held responsible for any damage occurring during your stay.

A registered female adult leader is required for any unit serving females. The unit leader should have no other duties to detract from the responsibility of serving as a leader.

In cases where units cannot provide two leaders, the Camp Director will coordinate with the unit to arrange to meet the two-deep leadership standard.

One-on-one contact between adults and youth members is not permitted. In situations that require personal conferences, such as a Scoutmaster's conference, the meeting is to be conducted in view of other adults and youth.

Youth sharing tents must be no more than two years apart in age. In addition, adult participants aged 18-20 are treated as adults and cannot share tents with youth participants.

CONSTRUCTIVE DISCIPLINE

Discipline used in Scouting should be constructive and reflect Scouting's values. Corporal punishment is never permitted. The Scoutmaster and adult leaders have the primary responsibility for the care of all the unit's Scouts and ensuring that all Scouts and adults follow the Scout Oath and Law. The discipline and organization of the troop is the Scoutmaster's responsibility.

BEHAVIOR GUIDELINES

All members of the BSA are expected to conduct themselves in accordance with the principles set forth in the Scout Oath and Law. Physical violence, hazing, bullying, theft, vandalism, insults, drugs and alcohol have no place in the Scouting program and may result in the revocation of a Scout's membership. Unit leaders are responsible for monitoring the behavior of their Scouts and interceding when necessary. The leadership of camp will determine if misbehavior warrants expelling a camper from the property. It is the unit and parent's responsibility to transport the camper home.

PREPARING FOR CAMP

DINING HALL & MEALS

Before breakfast and dinner, the camp assembles at the parade field. The camp staff facilitates the flag ceremony, grace, provides program notes, and dismisses Scouts to eat. Meals are served family style.

A salad bar with a variety of food is available at every meal, along with a peanut butter and jelly sandwich table.

KITCHEN PATROL

Each troop will send at least 2 Scouts to set up their tables before meals. If your troop is larger, it is suggested more Scouts help. Kitchen Patrol should arrive to the dining hall at least 10 minutes prior to assembly. Please ensure that your Kitchen Patrol waits for the rest of the troop prior to eating. A Scout is courteous.

After meals, Kitchen Patrol is responsible for cleaning up. This includes stacking all dishes and taking them to the appropriate drop off area, as well as wiping the tables, sweeping, and mopping the floors.

Kitchen Patrol assignments should be part of the duty roster and determined by the Sr. Patrol Leader.

Guest may eat meals in the Dining Hall after purchasing individual or day meal tickets at the Trading Post.

7:00am – Assembly & Breakfast

12:20pm – Lunch

5:20pm – Assembly & Dinner

COMMISSARY

The camp commissary is located on the right-side of the dining hall and is open following each meal. Units can pick up extra garbage bags, toilet paper, ice, Dutch ovens, and manual ice cream machines. Backpack carriers must be brought back after each use. When returning items, please do not leave them outside the window and ensure the commissary staff members checks them back in.

SWIM CHECKS BEFORE CAMP

The swim classification test is conducted upon your arrival at camp. Units may arrange swim classification tests locally within 6 months prior to your arrival at camp using the Unit Swim Classification

Record Form found on our website 1bsa.org. Completed forms must be brought to the camp waterfront director during the camp tour where buddy tags will be filled out appropriately.

This offers the advantage of also testing those in the unit not attending camp, helps relieve some of the first day burden on the troop and the camp, and helps the unit with swimming requirements for rank advancement.

SPECIAL NOTE: When swim tests are conducted away from camp, the Camp Aquatics Director retains the right to review or retest any or all participants to assure that standards have been maintained.

FAMILY NIGHT!

We welcome families to come and see their Scouts in action on Wednesday night.

Please arrive between 4:00pm and 5:00pm and leave camp by 10:00pm. Our staff will welcome you in the parking lot that is located at the top of the hill where you will check in and receive your visitor badges. Please note that no cars will be allowed into camp. We do have transportation available for those with special needs. Camp Sequoyah is a rustic camp with many ups and downs. Please wear appropriate clothing including shoes.

DINNER OR FAMILY PICNIC

While the food at camp is beyond compare! Many troops choose to eat in their campsite or at one of our pavilions with the families bringing dinner for everyone. This is a great option, and the dining hall is also open and available. All guests who will be eating at the dining hall will need to pre-pay (\$5) for dinner at the trading post.

EVENING PROGRAM

Families are encouraged to participate in the Order of the Arrow Campfire.

SENIOR PATROL LEADERS GUIDE

Welcome to Camp Sequoyah! We are excited to have you and your Troop visit our camp and know that will have a great time. This guidebook is designed to help you plan and prepare for camp. It is your job as the SPL to lead and guide your fellow Scouts to ensure that they have an amazing time at camp.

Your Scoutmaster will help the Scouts register for their merit badge classes through our online Tentaroo system. If there are any problems with merit badges, please let us know at the SPL meeting on Sunday night.

Your 1st Task!

Your first assignment is to review the large list of afternoon activities available for your Troop/Patrol to do. These are found on the next page. At the SPL meeting on Sunday night, you will select 3 activities to do each afternoon.

These activities are done as a Troop, or as a patrol if you have a very large Troop. Many of the activities are designed for groups of 10 with 8 Scouts and 2 adults. You may choose to divide your group up to better fit these parameters based on your activities.

This is your adventure! Create your schedule based on what you and your fellow Scouts want to do.

MERIT BADGE PREPARATION

Scouts should come to camp with a familiarity of the subjects they will be learning about for the week. Merit badge pamphlets are available for purchase but acquiring a book prior to camp is recommended. It is a good idea to bring a notebook and pencil for each merit badge session.

WILDERNESS SURVIVAL: Scouts will spend the night in a shelter that they built. The overnight trip occurs at 7:00pm on Thursday night. Remember bug spray.
