About Your Coffee Roaster: Red Bike Coffee Co.

Red Bike Coffee Co. is a small, specialty roaster proudly located just outside Birmingham in historic Irondale, Alabama. They are enthusiastic about great coffee, and they extend that passion to every bag that is sold.

Carefully selecting the world's best beans for their superior quality, and then small batch roast them using dynamic methods adjusted for each unique crop. This customized roasting process ensures you receive the freshest, most consistent, and outstanding coffee possible, beans that truly stand above the rest. We would love your support for a local small business and the Scout's!

Featured Fundraiser Coffee: The Jamboree Java

(Jamboree Java: Dark Roast)

We have brought back a special favorite for this once-every-four-years fundraiser! The Jamboree Java is a beautifully crafted dark roast featuring an exotic and sophisticated blend of carefully selected Latin American, African, and Indonesian beans.

These superb beans are blended and roasted to create a bold yet smooth cup that can be enjoyed anytime, anywhere.

Flavor Profile; This rich, dark roast offers subtle and inviting hints of Hazelnuts, Spice, and Sweet Cocoa.

IMPORTANT NOTE: Your order will be roasted and shipped out by the beginning of next month. For those who choose direct shipping, one bag is \$8 and \$12 for multiple bags. Thank you for supporting your local Scout's journey to the National Jamboree!
