

What Scouts need... to camp!

Scouts can check off essential camping needs on one hand: sleeping bag, eating utensils, towel, being prepared, plus extras! However, not every Scout has the resources necessary to buy a Scout Handbook or afford a week at camp. That's why we, as a Scouting family, work together to ensure each youth has the support and resources they need to become future leaders.

Please consider supporting a local Scout and help their dreams of adventure become a reality.

Every gift is appreciated!

As a family Friends of Scouting stakeholder, your support will improve the Scouting experience for your child and others.

Support Local Scouting Programs and Camps! (Summer Camp, Day Camp, Climbing, Swimming, Hiking, Handbooks and more!)
