How does our unit move forward?

Successful Units that attract and keep Scouts:

- Have leadership that is helpful, friendly, kind, trained, organized, and provide good communication.
- Have a strong annual program plan that is FUN!
- Ensure all Scouts and their families feel welcome.
- Have an easy to explain finance plan that funds the unit expenses AND offers a way for families to subsidize their Scouting journey.

Families want to know 2 things:

What are we going to do?

How much is it going to cost?

Program Planning Conference - Steps for Success!

The program planning conference is a unit meeting to plan and schedule your next year of program along with creating the plan to pay for these activities. Start the meeting by outlining the importance of having a strong annual plan and state any rules you will follow during the meeting. While this meeting is similar for all units, please remember that in Troops and Crews the youth are the ones who should be leading this meeting. Training videos are available in my.scouting.org or at www.lbsa.org/unit-program-planning-and-finance/.

PRE-WORK

Before the scheduled face-to-face conference, the committee chair and unit leaders gather the following information:

- Key school and community event dates
- Personal dates that may affect your unit's activities
- Last year's unit annual plan (if you have one)
- Important chartered organization dates
- District and Council dates (pages 16-39)
- Unit priorities and goals

To maximize the efficiency of your planning, the following people should attend the conference:

- Chartered Organization Representative
- Your unit commissioner (optional)
- For Troops & Crews: Youth Leadership
- All unit committee members & unit leaders
- Anyone else you think might be helpful

Step 1 - COLLECT

Take the dates you collected prior to the meeting and put them into your master calendar—including meeting dates—either on a hard copy or by plugging the information into an electronic calendar on a computer.

Step 2 - REVIEW

Review what the unit did last year. Ask questions like, what events went well, what events didn't go well? Did we earn the National Summertime Award? How did we do with weekly attendance? Did we participate in day camp, summer camp, or high adventure? Did we sell popcorn and camp cards? Feel free to ask as many questions as you want, but do not spend too much time on this, as the key issue is planning the upcoming year. Just use this research to help guide what you might want to keep, replace, or improve.

Step 3 - BRAINSTORM

Brainstorm activities your unit might want to do in addition to weekly meetings. Include things such as: Blue and Gold Banquet, Courts of Honor, Pinewood Derby, Scouting for Food, Weekend Campouts, community service activities, youth recruitment events, District Events, Council Events, etc. Remember the brainstorming rule, which is anybody can suggest anything without critique or criticism. Feedback and analysis come later, after all the ideas have been captured. Once you have a list of things your unit might want to do, start prioritizing the list. Take a vote(s) on which activities to include on the schedule, then add the activities to your calendar.

Step 4 - ASSIGNMENTS

After the dates have been placed into the calendar, the next step is to assign the person who will be responsible for each event (if possible).

Step 5 – Finance and Funding

Expense Categories:

Unit Expenses:

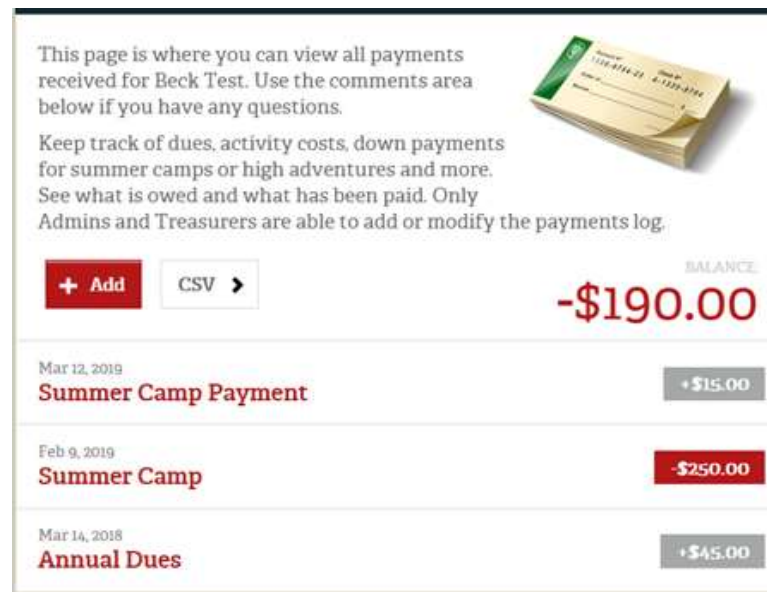

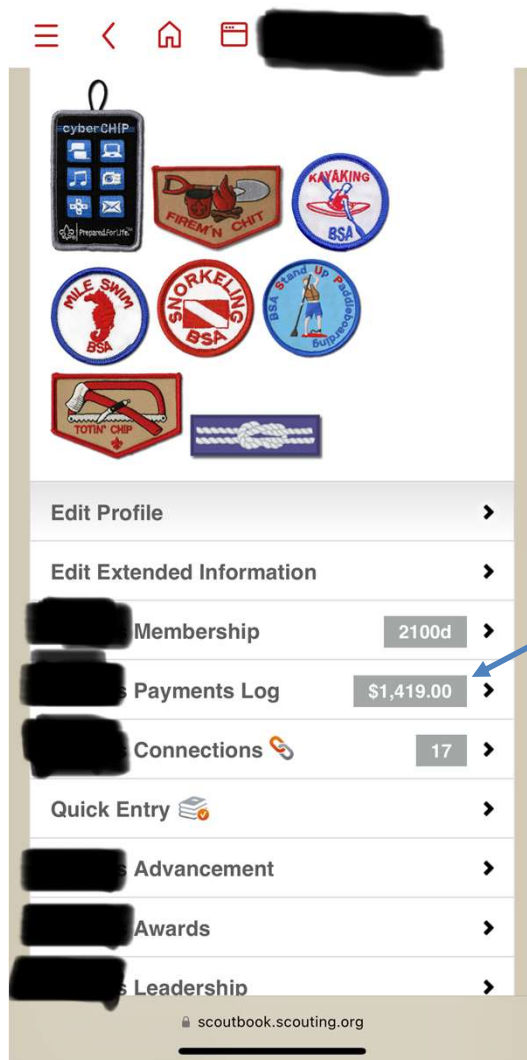

- Things that the unit typically pays for
- Advancement, Unit Gear, Pinewood Derby Cars, etc.

Family Expenses:

- Things that the family typically bears the cost of
- Cub Haunted, Uniform, Weekend Campouts, Summer Camp, etc.

IMPORTANT! Your funding plan needs to fund BOTH!

Your funding plan needs to fund the unit expenses AND offer a way for families to subsidize their Scouting journey.

Scout Accounts are important because

INCENTIVES MATTER!

Example 1:

Our Pack charges dues of \$225 which covers all Pack activities for the year. These dues are paid in mid-November as part of the re-charter process. Families participate in our Popcorn Sale from Aug to Oct. From the commission earned, our Pack keeps just 20% and 80% goes into the Scout's account in Scoutbook. The family can use these funds for anything Scouting related including paying the \$225 Pack dues, registration fees for events like Cub Haunted, and purchasing their uniform.

Example 2:

Our Troop sells Christmas trees. Scouts work 3 shifts but can work more if available. Our Troop keeps about 30% of the commission to cover unit expenses. Based on the number of shifts they work; the rest goes into the Scout's Accounts in Scoutbook. Scouts can use these funds to pay for anything Scouting related including uniforms, weekend campouts, Summer Camp, and NYLT. We also encourage our Scouts to participate in the Council Popcorn and Camp Card sale as a way to fund their Scout Adventures.

Step 6 - PUBLISH YOUR PLAN

Review your plan to ensure you have captured everything your unit wants to do in the upcoming year. Include your unit's funding plan with the expectations of each Scout/family. Publish your plan and get it to each family. Sharing the annual plan with your families could be the most important step in retaining your Scouts and building tenure. Create a printable flyer that can be given to new and prospective families.

Annual program planning is an ongoing process.

Review the plan regularly to make sure you are still on track

Additional resources including examples can be found at www.1bsa.org.

For Scouts BSA, Sea Scout, & Venturing Units:

The process of this meeting is the same but please remember that in Troops, Crews, and Ships the youth are the ones who are holding and leading this meeting.

Cub Scout Recruitment Bootcamps!

Inviting new families to join Scouting is the most important thing we can do. Every fall, a sign-up night is held at each elementary school across the nation. These sign-up nights are heavily advertised and are the main way that most families sign-up to participate in Scouting. The Unit New Member Coordinator is a member of the Unit committee that organizes these sign-up nights, inviting new families to join and ensuring they feel welcome.

LEADERS! Attend a Recruitment Bootcamp to learn how we will help your Pack be successful!
